

C110/C130n Digital Color Printers

OKI[®]
PRINTING SOLUTIONS

The best value for personal or small workgroup color printing with fast monochrome output

The convenience of color when you need it – plus the increase in productivity and cost efficiency of fast black & white printing.

Highlights:

- Compact, space-saving footprint fits perfectly on the desktop in any environment
- Color output at up to 5 ppm; black & white at up to 20 ppm¹
- Time to first page as fast as 22 seconds color, 13 seconds black & white¹
- Up to 1200 x 600 dpi resolution
- Highly reliable: duty cycle rated at up to 35,000 pages per month
- 200-sheet paper capacity standard, expands to 700 pages with optional 2nd tray²
- On C110: High-speed USB 2.0 connectivity
- On C130n: PostScript® 3™ and 10/100 Base-T Ethernet and high-speed USB 2.0 connectivity standard; duplex and additional paper capacity optional
- 1-Year limited Overnight Exchange warranty⁴
- Live, toll-free technical support 24/7/365⁴

There has never been a better time to move up to digital color printing. The C110 and C130n Color Printers from OKI Printing Solutions are your perfect points of entry. They offer an efficient and highly reliable alternative to ink jet printers, and an affordable, refreshing alternative to black & white-only printers. All in a sleek, compact desktop design.

Clear, crisp mono output at up to 20 ppm¹ – These printers have one of the fastest black & white print speeds in their class, and turn out the first mono page in as little as 13 seconds.¹

For color printing when you need it, count on the C110/C130n to deliver up to 5 pages per minute—the first as fast as 22 seconds¹—in resolutions as high as 1200 x 600 dpi.²

Both models have a standard paper capacity of 200 sheets through the multi-purpose tray, and easily handle letter/legal sheets, labels and card stock. The C130n can expand its capacity to 700 sheets with an optional 500-sheet 2nd paper tray.

For individual or small workgroup use – C110/C130n printers can be used as personal devices via their high-speed USB 2.0 port. Or you can share the advantages and efficiencies of the C130n through its internal 10/100 Base-T Ethernet print server.

Both of these printers work beautifully in the most popular operating system environments, including Windows® Vista® and XP, and (with the C130n) Mac® OSX.

Unmatched warranty support – We're so confident in the reliability of the C110 and C130n that we provide 1-year limited printer warranty with Overnight Exchange and optional coverage extensions.³

Of course, if you need technical assistance, you can speak to a live expert located in North America by calling 800.OKI.DATA at any time.³

For efficient and affordable printers that can increase your productivity—and provide beautiful color documents—the C110 and C130n from OKI Printing Solutions are the perfect place to start.

¹ Published performance results based on laboratory testing. Individual results may vary.

² C130n model only.

³ Available in the U.S. and Canada only.

Choose the digital color printer that's right for your needs:

The C110 at a glance

100-sheet output tray: flip-open paper exit puts printed documents at your fingertips

High-capacity consumables: available with 2,500-page CMYK toner cartridges¹

Operator panel: quick-read LED status lights and money-saving toner cartridge rotation control

5 ppm Color, 19 ppm Mono:² convenient color and fast black & white printing enhance user productivity

Windows® Enhanced Printing: take advantage of the host PC's applications and fonts

USB 2.0 connectivity: for fast, personal use

200-sheet input tray/multipurpose feeder: handles letter/legal, labels, card stock and custom sizes; flips shut when not in use

The C130n at a glance

Optional duplex (2-sided) printing: print on both sides of a page; save resources and increase productivity

100-sheet output tray: flip-open paper exit puts printed documents at your fingertips

High-capacity consumables: available with 2,500-page CMYK toner cartridges¹

User-friendly operator panel: with LCD screen and quick, easy fingertip navigation through menu items

PCL and PostScript 3 emulations: enables handling of complex files and use of most popular scalable fonts

5 ppm Color, 20 ppm Mono:² convenient color and fast black & white printing enhance user productivity

Internal 10/100 Base-T Print Server and USB 2.0 connectivity: for fast printer sharing and/or personal use

200-sheet input tray/multipurpose feeder: handles letter/legal, labels, card stock and custom sizes (shown with standard dust cover)

Optional 500-sheet 2nd paper tray mechanism: takes paper capacity to max 700 pages—increasing productivity through fewer user interventions

¹ C110 ships with 500-page CMYK toner cartridges; C130n ships with 500-page Color (CMY) and 1000-page Black toner cartridges.

² Published performance results based on laboratory testing. Individual results may vary.

C110/C130n Digital Color Printers

Specifications

Performance

- **Print Speed:** Up to 20 ppm Black & White, 5 ppm Color¹
- **Time to First Page:** As fast as 13 seconds Black & White, 22 seconds Color¹
- **Processor:** C110 – 80 MHz; C130n – 400 MHz
- **Print Resolution:** C110 – up to 1200 x 600 dpi; C130n – up to 600 x 600 x 4 dpi
- **Duty Cycle:** Up to 35,000 pg./mo.

Compatibility

- **Operating Systems:** Both models – Windows Vista® (32/x64), XP (32/x64), Server 2008 (32/x64), Server 2003 (32/x64), 2000; C130n only – Mac® OS X v10.3 and higher, Linux

Emulations

- **Standard:** C110 – Enhanced Windows® Printing (GDI); C130n only – PCL® 6, PostScript® 3™

Connectivity

- **Local Ports:** Both models – High-speed USB 2.0
- **Network Interface:** C130n only – 10/100 Base-TX Internal Ethernet Print Server

Memory

- **Standard/Max:** C110 – 16 MB; C130n – 256 MB

Typefaces

- **Scalable:** C110 – Utilizes fonts installed on host computer; C130n – 93 PCL, 144 PostScript fonts

Paper Handling

- **Paper Input:** Both models – 200-sheet Multi-Purpose Tray standard; C130n only – Optional 500-sheet 2nd paper Tray
- **Multi-Purpose Tray:** Handles card stock and labels
- **Duplex (2-sided) Printing:** C130n only via optional duplex unit
- **Paper Sizes (Min/Max):** 3.6" x 7.67" to 8.5" x 14"¹²
- **Paper Weight:** Plain paper 16 lb. – 24 lb. bond (60 – 90 gsm); thick stock up to 110 lb. index (209 gsm)

Environmental

- **Size (WxDxH):** 15.6" x 15.0" x 10.9" (39.6 cm x 38.0 cm x 27.5 cm)
- **Weight:** C110 approx. 31.7 lb. (14.4 kg); C130n approx. 33.3 lb. (15.1 kg)³
- **Acoustic Noise:** Printing ≤50 dB; Standby ≤29 dB
- **ENERGY STAR Compliance:** Yes

Supplies

- **Toner Cartridge Life:** Standard 1,500 pages Cyan, Magenta and Yellow; 2,500 pages Black; High-capacity 2,500 pages Cyan, Magenta, Yellow and Black⁴
- **Image Drum Life:** Up to 45,000 pages Black & White; up to 11,250 pages Color⁵

Warranty

- **Printer:** 1-Year limited with Overnight Exchange⁶

For more information on Digital Color Printers and supplies from OKI Printing Solutions, including OKIcare® Extended Service Programs⁶: **1-800-OKI-DATA (800-654-3282)**.

¹ Published performance results based on laboratory testing. Individual results may vary.

² Maximum length slightly less for thicker stock.

³ Weight with consumables, without options.

⁴ Toner cartridges have an estimated life based on 5% coverage of letter-size pages. C110 ships with 500-page CMYK toner cartridges; C130n ships with 500-page Color (CMY) and 1,000-page Black toner cartridges.

⁵ Includes waste toner box. Estimated life, continuous printing.

⁶ Available in the U.S. and Canada only.
