

OKI® C5100n/C5300n

Digital Color/Mono Printers

Productivity and Affordability To Meet Color/Mono Printing Requirements

OKI® Single Pass Color™ Digital technology:

OKI C5100n and C5300n printers utilize an in-line CMYK straight-through paper path that gives them greater paper-handling flexibility and faster throughput in full color.

OKI® C5100n/C5300n Highlights:

- Cost-effective solution for color and monochrome letter/legal/A4 printing needs
- Single Pass Color™ Digital technology for printing on up to 110 lb. index card stock
- Color output at up to 12 ppm; mono at up to 20 ppm¹
- Output up to 3 times faster printing color pages than the competition
- Time to first page: 18.3 seconds color, 9 seconds mono
- Space-saving footprint for desktop use
- Convenient operator panel enables printer and network setting changes
- Network connectivity standard
- Paper capacity expandable to 930 sheets
- 2-piece consumables for ease of use and low Total Cost of Ownership for color and mono
- 1200 x 600 dpi resolution
- Job Accounting utility (C5300n only)²
- Optional Duplex (2-sided) printing³
- 1-Year limited warranty with Overnight Exchange on printer⁴; 5-Year limited warranty on LED printheads

¹ Published performance results based on laboratory testing. Individual results may vary.

² Requires optional Hard Disk Drive for optimum performance.

³ C5100n model requires minimum 64 MB RAM for optimum duplex performance.

⁴ Available in the U.S. and Canada only.

Network-ready with a compact size.

Superior performance by any measure.

For workgroups with a tight budget and high expectations, OKI® offers the C5100n and C5300n Digital Color printers. These two compact performers make fast, high-quality OKI color and monochrome output accessible to most shared environments. They're ideal business tools.

Department heads take note: with their speed, low purchase price and low cost per page, either of these printers can take the place of slower color inkjet and mono machines—and stretch your budget.

Even with their small footprint, the C5100n and C5300n are big on productivity, turning out up to 12 full-color and up to 20 mono pages per minute¹, with the first color page printing in just 18.3 seconds, the first mono page in as little as 9 seconds. And those are crisp, bright pages at 1200 x 600 dpi.

Flexible connectivity for sharing. With high-speed USB connectivity (the C5300n also comes with IEEE-1284 bi-directional parallel), workgroups large and small can share the advantages and efficiencies that come from printing with these machines.

An internal 10/100 Base-T print server—the OkiLAN® 8100e—enables industry-standard network protocols and enhances network management through access to a wide range of printer menu settings.

More ways to increase productivity.

The OKI C5100n and C5300n have a standard paper capacity of 400 sheets, including a 300-sheet paper tray and built-in 100-sheet multipurpose tray for labels, envelopes, transparencies and card stock up to 110 lb index. That can expand to 930 sheets with an optional 530-sheet 2nd tray. More sheets means fewer user interventions.

With the optional duplexer, you can produce 2-sided pages at close to rated engine speeds—so users are back to work in no time with their letters, presentations, proposals, reports or whatever they need to look good on paper.

If you're looking for economical, highly-productive color/mono printers, the C5100n and C5300n from OKI are the way to go.

OKI®

Designed to Perform in the Most Demanding Environments.

PROVEN.

OKI® C5100n/C5300n

Digital Color/Mono Printers

Which Model is Right for You?

	OKI C5100n	OKI C5300n
Processing (PowerPC CPU)	200 MHz	400 MHz
Operating Systems	Windows® XP, 2000, 98, 95, Windows NT® 4.0	Windows XP, 2000, 98, 95, Windows NT 4.0; Macintosh® OS 8.6 and higher; Linux 2.5; Unix® Solaris® 8.0; HP® 11.0
Compatibility	Enhanced Windows printing	PCL® 5c, PostScript® 3™ emulation
Standard RAM	32 MB	64 MB
Maximum RAM	288 MB	320 MB

Connectivity Network	Standard	Standard
Local Ports	USB v2.0	IEEE-1284 Parallel & USB v2.0 (w/Auto Switching)
Resident Fonts	via Windows	45 PCL; 136 PostScript; Line Printer; OCR-A, -B
Job Accounting Utility ¹	N/A	Standard

Additional Specifications

Performance

- **Print Speed:** Up to 12 ppm Color; up to 20 ppm Mono²
- **Time to First Page:** 18.3 sec. Color; 9 sec. Mono
- **Print Resolution:** 1200 x 600 dpi
- **Duty Cycle:** Up to 50,000 pages per month

Productivity Solutions

- **Web-based Printer Management:** PrintSuperVision and OkiLAN® Embedded Web Server

Network Interface

- **Standard:** OkiLAN® 8100e (10/100 Base-T) Internal Ethernet® Print Server

Paper Handling

- **Paper Input:** 300-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray standard; 930 sheets max. with optional 530-sheet 2nd paper tray

Fewer user interventions:
The OKI® C5300n, shown with optional 530-sheet 2nd paper tray, holds up to 930 sheets.

- **Multi-Purpose Tray:** Standard 100-sheet; handles overhead transparencies, envelopes and mailing label stock
- **Paper Weight:** Main tray 20 lb.–32 lb. bond; optional 2nd Tray 20 lb.–47 lb. bond; manual feed 20 lb. bond –110 lb. index card stock; optional duplex 20 lb.–28 lb. bond
- **Automatic Duplexer (2-sided printing):** Optional³

Environmental

- **Size (WxDxH):** 16.6" x 20.7" x 13.6" (42.2 cm x 52.8 cm x 34.5 cm)
- **Weight:** Approx. 57.3 lb. (26.0 kg)

Supplies

- **Toner Cartridges:** "Type C6" – separate Black, Cyan, Magenta, Yellow
- **Toner Cartridge Life:** 5,000 pages at approx. 5% density⁴
- **Image Drums:** "Type C6" – separate Black, Cyan, Magenta and Yellow
- **Image Drum Life:** Approximately 15,000 pages⁵
- **Transfer Belt:** Average life 50,000 pages⁵
- **Fuser Kit:** Average life 45,000 pages⁵

Warranty

- **Printer:** 1-Year limited with Overnight Exchange⁶
- **Digital LED Printhead:** 5-Year limited warranty

For more information on OKI C5100n/C5300n Digital Color Printers and supplies, including OKIcare® Extended Service Programs: **1-800-OKI-DATA** (800-654-3282)⁶.

¹ Requires optional Hard Disk Drive for optimum performance.

² Published performance results based on laboratory testing. Individual results may vary.

³ C5100n model requires minimum 64 MB RAM for optimum performance.

⁴ Estimated life at 5% density, letter-size sheet. Both models ship with 3,000-page standard toner cartridges (Cyan, Magenta, Yellow and Black) yielding 1,500 pages (estimated life at 5% density). Aftermarket cartridges are available with 5,000-page estimated life (at 5% density, letter-size sheet).

⁵ Estimated life (based on 3 pages per job).

⁶ Available in the U.S. and Canada only.
