

# TASKalfa 5550ci

► print ► copy ► scan ► fax

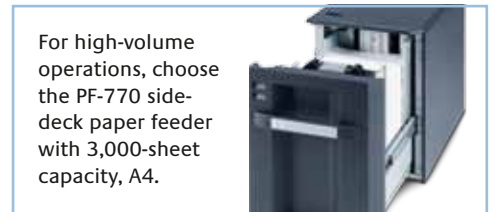

## NEED A RELIABLE, HIGHLY PRODUCTIVE COLOUR PROFESSIONAL?

The new TASKalfa 5550ci combines high productivity by combining high speed and high-capacity document processing. Advanced KYOCERA technology delivers reliable, fast, duplex print processing and finishing, matched to a range of paper-handling options to suit your individual needs. Together with a wide range of digital functionalities, this colour multifunctional device opens up vast potential for the optimisation and productivity of your office workflow.

- Up to 50 pages per minute A4 in colour
- Advanced colour technology for excellent quality
- Standard 2 GB RAM + 320 GB HDD memory storage
- Wide range of media up to 300 g/m<sup>2</sup>, 304.8 x 457.2 mm and banner printing
- Max. 8 media types of paper handling, and finishing options with booklet and tri-folding
- Optional high-speed and large capacity one-path duplex scanning
- Optional EFI Fiery controller and colour management
- Long-life components provide unprecedented efficiency and reliability

The DF-790 is 4,000-sheet capacity finisher, BF-730 booklet and tri-folding option.

For high-volume operations, choose the PF-770 side-deck paper feeder with 3,000-sheet capacity, A4.

# TASKalfa 5550ci COLOUR MULTIFUNCTIONAL FOR A3 FORMAT

The TASKalfa 5550ci incorporates extremely durable components that guarantee efficient and reliable operation to meet the demanding requirements of busy office environments. The TASKalfa 5550ci provides effective productivity and maximum flexibility whilst ensuring minimum impact on the environment.
