

RICOH

Ricoh GelSprinters NEW TECHNOLOGY!

Looks like an inkjet,
prints like a laser.

Fast drying, waterproof, smudge-proof and sun-resistant "viscous inks" ensure long-lasting color for a bottom-line price. Save even more with separate toner cartridges that will not dry out! All GelSprinter models come standard with duplexing, paper sizes up to 8.5" x 14", resolution of 3,600 x 1,200 dpi and a One-Year Warranty, illustrating top of the line quality at a bottom-line price.

GX3000

GX3000: An affordable, fast color business printer with standard duplexing. Standard memory of 32MB, duty cycle of 10,000 prints per month and rapid 29ppm prints in Full-Color and Monochrome on media types including 110lb. Bond paper, Transparencies, Glossy Paper and Envelopes set the standard! The GX3000N exceeds expectations of a desktop printer!

Part No. 405509

Dimensions (WxDxH) 16.38" x 19.33" x 10.35"

GX3050N

GX3050N: An affordable, fast color network business printer with standard duplexing. With 64MB memory, duty cycle of 10,000 prints per month and network-ready, the GX3050N is impossible to pass up! Rapid print speeds of 29ppm Full-Color and Monochrome and media types including 110lb. Bond paper, Transparencies, Glossy Paper and Envelopes set the standard for the cost conscious customer!

Part No. 405512
